PRESCIENT SECURITY

Certificate of Registration

INFORMATION SECURITY MANAGEMENT SYSTEM – ISO/IEC 27001:2022

The Certification Body of Prescient Security LLC hereby certifies that the following organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2022.

Boostlingo LLC

98 San Jacinto Blvd Suite 400 Austin, TX 78701

for the following scope of registration

The scope of the ISO/IEC 27001:2022 certification is limited to the Information Security Management System (ISMS) supporting Boostlingo LLC's design, development, provision, and management of its cloud-based language access platform and associated solutions, including over-the-phone, video remote, and AI interpreting, remote simultaneous interpretation for events, AI-driven captioning and transcription services, document translation, and interpreter management solutions, ensuring the confidentiality, integrity, and availability of information across all supported operations and client engagements. The scope includes infrastructure hosted on Amazon Web Services and Microsoft Azure. The ISMS scope also includes the following departments: Account Management & Customer Success, Customer Support and Operations, Engineering (Platform, Infrastructure, DevOps), Finance, Human Resources (People Operations), IT and Corporate Systems, Language Access & Operations, Legal and Compliance, Marketing, Product Management, Sales & Revenue Operations.

This is in accordance with the Statement of Applicability version 1.1 dated July 16, 2026.

CERTIFICATE NUMBER: 123440 (Issue 1)

Original Issue Date	September 16, 2026
Latest Revision Date	September 16, 2026
Valid Until	September 15, 2029

This certificate remains valid subject to satisfactory surveillance audits.

No activity of the organization within the scope of certification is undertaken at a defined physical location – all in-scope activities of the organization are conducted remotely.
